Details of Achievements

Strategy to achieve the objectives of the organization is to involve community at all stages, while implementing programs/ projects. Organization believes that before initiating any activity for the community, it is very important to collect their views and incorporate their suggestion in the implementation of program/ project activities. Decentralizing the power and authority is the key to success for Sarvahitakari Sewashram. The organization has strength to carry out:

- Need Analysis
- Stakeholder Analysis
- Developing Community Based Organizations
- Organization building and community empowerment
- Promotion of replicable models and their extension strategies
